RIN 1210-AB32

Dear Sir or Madam:

It has come to my attention that the above mentioned regulation would disallow the use of options in retirement accounts such as IRA's.

Please be advised that I am opposed to any regulation that would limit my ability to manage my affairs, financial or otherwise, as I see fit.

It seems to me that the government would be only too happy to see retirees take charge

of their affairs and prosper. Would it not be to their advantage as well?!

Please allow all of us to continue to prosper with the use of options.

Sincerely,
